

Why do I need a Facial?

Are you suffering from dry patches? What about an oily T-zone? Or don't forget about the occasional breakout. These things can be remedied with a facial. Main Street Spa offers BIOELEMENTS skin care products which are custom blended for each individuals' needs and the results are rejuvenating!

Your skin care regimen will be customized based on what "your individual skin" is experiencing

We have products, cremes and serums specifically formulated to treat any concern

Your facial products can be custom-blended for your "individual" skin type and condition

Don't imagine your skin without Bioelements.

Custom Blending your facial product(s) allows the esthetician to take the necessary steps to further assist you with your facial care goals. This process can be highly effective against (breakouts, severe dryness, wrinkles, blemishes and sensitive skin) to name a few. It's a personable approach to help us deliver 100% satisfaction guaranteed!

Oily Skin Solutions?

Our Bioelements Decongestant Cleanser will be key to relieving the skin of excess oil, utilizing our Power Peptide and Beyond Hydration moisturizer is sure to allow you to feel as if you have new skin.

With nightly use, Bioelements Oil Control Sleepwear helps to:

- ◆ Smooths out lines and wrinkles
- ◆ Controls oil production
- ◆ Promotes firmness
- ◆ Encourages younger-looking skin

Dry skin solutions:

Our Bioelements Moisture Positive Cleanser will help with your cleansing, along with our Power Peptide and Absolute Moisture to brighten and renew. Drinking lots of water hydrates the skin. Massaging of the skin improves circulation which gives your skin the healthiest glow. As the seasons change, so does our skin. With this in mind, skin care is essential. We all have unique skin. Let us help you achieve your natural "glow". RENEW. REJUVENATE. REPLENISH. Call us today@ 804-644-1084.
